

AMIGO WILL MAKE YOU HAPPY

"I know that we aren't your only client yet the attentiveness that we receive from the entire Amigo staff certainly makes us feel otherwise."

-Santiago Martin, Jr.
Trilogy Personnel & Land Management

GROW YOUR BUSINESS— WE'LL HANDLE THE REST

Maintaining a healthy IT infrastructure can be a competitive advantage. Get the flexibility you need to adapt to business fluctuations by allowing AMIGO to:

Quickly and easily make changes to your equipment and usage on a monthly basis.

Handle Seasonal traffic volumes without costly equipment outlays.

WE MAKE IT EASY.

With no contract and one monthly bill, you know what you're going to get with AMIGO. No gotchas here! You have multiple ways to communicate with us and you'll wonder what you ever did without us!

Fully Managed Voice & Data Solutions

WE MAKE **IT** EASY.

For any business in any industry, AMIGO takes everything from end-user computer service, to voice, to complete data network support off your plate and puts it on ours.

DO YOU NEED AMIGO?

AMIGO is anything and everything you need to keep your data and voice networks healthy and running smoothly.

Need full network support?

That's AMIGO.

Need someone to help out your IT department and handle certain service tickets?

That's AMIGO.

Need a fully managed voice system without the capital expenditure?

That's AMIGO.

WITH AMIGO, YOU HAVE OPTIONS.

- The whole chimichanga: Full Network Support—Everything is included.
- Service Ticket Support: Let us handle your Tier 1, Tier 2 or Tier 3 Service Tickets.
- Scalable Support: We'll monitor your network for as little as \$15 per device.
- Affordable "Plug n Play" Phone System with AMIGO Voice.
- Vendor Management : For any technology on your network, call AMIGO and we will coordinate the maintenance.

-Includes-

- No contract: We will make you happy; walk away if you're not.
- AMIGO Guarantee: If we fall short of 95% on your SLA, we'll give you a \$500 to take the sting out.

AMIGO VOICE

Imagine a phone system that was built specifically for you—with all the Enterprise-grade phone features, hosted in the cloud, and you choose how and where it works. Our Hosted PBX system is easy to use, and provides a web-based User Portal at a cost that makes sense for your business.

1) Enterprise-grade phone system

Auto attendants, Voicemail-to-email, Directory-by-Name, Conference Bridges, and all other essential enterprise features.

2) Low cost, no price fluctuations

Bundled, unlimited calling package so you receive an honest bill every month.

3) Scalability

One phone or a thousand phones, no need for a new system. We grow with you.

4) Customize your system

Ring any device, cell phone, tablet or desk phone.

5) Reliability you can depend on

99.999%+ uptime with Automatic Failover capabilities.
